

# SE NE VOGLIO IL... DOPPIO?

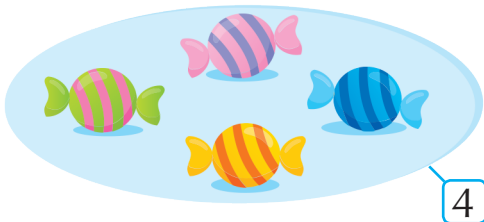

Basta **moltiplicare**  
il numero che voglio **raddoppiare**  
per due

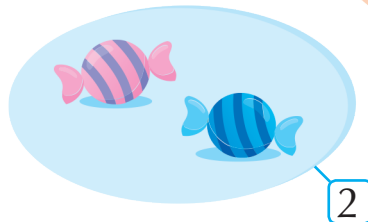

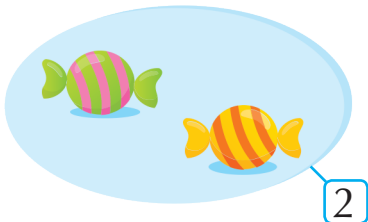

$$3 \times 2 = 6$$

→ il **doppio** di 3

# SE NE VOGLIO LA... METÀ?

Basta **dividere** il numero  
in **due** parti uguali

$$4 : 2 = 2$$

→ la **metà** di 4
